Kitchen Update

On May 1st, 20 residents qualified to become food handlers and are eligible to work in the kitchen along with 20 residents already on board. We are currently working on hiring a professional crew to clean the fan and vents above the stove while our volunteers organize, inventory and clean all the cabinets and pantry. (Contact Sue Donnini to volunteer at 518-235-1170.)

We hope to have everything in place to begin serving lunches on Wednesdays and either Fridays or Saturdays by the end of June. Before that can happen, we need to establish teams and set up a schedule. With that in mind, for all food handlers willing to take part this summer, there is a signup sheet posted on the bulletin board in the Clubhouse. Please provide your availability and contact information.

We have 3 residents with certified kitchen manager licenses-Ruth Freer, Jeanette DeLisi, and John Johnson. Our kitchen supervisor is Sue Donnini. Questions can be directed to any of the above people.

SOCIAL CLUB ACTIVITIES FOR THE SUMMER

Sunday, June 11th Resident Bingo. This is for shareholders, registered residents and renters only. Sorry, no guests! The doors open at 4pm and Bingo starts promptly at 5pm. Tickets are \$4 for each Bingo packet and there is a limit of 2 tickets (packets) per person. Tickets are available at the Business office. Bingo packets can be bought at the door.

Tuesday, July 4th—4th of July Pool Party. The music and fun begins at 1:30pm and food will be served from 3:30-4:30pm. There will be kabobs and various sides, all available for \$5! Be sure to get your tickets from the Business office so you don't miss out. Desserts to share would be appreciated.

Sunday, August 13th—Summer Trivia. This is always a great evening of fun! Get your team together, but remember there can be only 5 in a team. More information will follow as it gets closer.

The Sweetwater Book Club meets in the library on the first Thursday of each month at 2PM. 2 titles have been selected for discussion at the next meeting.

TWO by TWO by Sparks and *PORTRAIT OF A MARRIAGE* by O'Farrell have received very favorable reviews and should provoke interesting discussions. Come join us in our discussion and perhaps share a book that you have enjoyed. It should be a most interesting meeting—hope to see you there!

HUD PLATE

Since the Hail Storm that we had at the end of April, most all residents have experienced damage of some kind. If you will be having Siding replaced due to damage, you will need to preserve the HUD plates that are on each side of your house. The information on these plates is needed when you decide to sell in the future. We can get this information, but it does take time and money to do so. There is a picture of one of the plates on Channel 732, if you do not know what to look for. If you have any questions, contact Lucille or I in the Real Estate Office.

Board of Directors
Informational Meeting
Friday May 12, 2023
3:00 PM

Present: Mike Kahn, Jeanette DeLisi, Steve Gade, Anita Love, Ruth Freer, Mike Longyear and Don Morris.
President Mike Kahn welcomed everyone watching on Facebook.

Mike Kahn read a letter from Sanda Greenwalt re: pre-meetings and Florida Statute 720.303. This is why we are meeting like this around the table. This is what we do to hash things out and bring what is important out to you during the informational meeting.

Mike Kahn-CERTS? What is going on with this? S-we have the building just needs to be installed. Looked into new planks at the WWTP between the tanks, very costly. Still working on it. Summer is here what do you think about stopping info meetings and BOD meetings for the summer. Everyone was in agreement. Maybe a report for Sweet Times. If something comes up we can call a BOD meeting. Sorry about the microphones acting up.

Anita Love-Welcome Committee gift, maybe gift certificates. Put some concrete outside pool fence with a table for smokers. Ordering spare spa pump. Looking at setting up a Wellness program to check on residents, will need volunteers. Still working on the pool music. Make sure you hire reputable contractors and get references. Thank you all for the food donated to the food pantries.

Mike Longyear-Thank you everyone for the love after the loss of my dog to the gator. The Architectural Committee has added Jim Morin. The Architectural Committee is looking into scoping out the pipe at 120 Victoria. Have a bid to do this for \$550.00. Want 2 electric boxes for generators (transfer switch boxes) to be replaced. Still getting quotes on installation. Paint the pickle ball courts.

Jeanette DeLisi-Status on #199-met with them, insurance won't cover replacement of carport or shed. Having trouble with contractor. Have a lot of outside storage. Rules are not specific about a time line. Will meet with them and get a time frame. Suggestion on sidewalks along the boulevard, will have to out for a community vote. Also speed signs or radar gun to help stop speeding. New procedure for lamp post signs. Lights on shuffleboard court are not fixed yet, need an electrician. Lake Henry has Polk Co. pick up their trash, why can't we? M-they may have county roads and ours are private. They will have to pay somehow, maybe through their taxes. Ok to approve social club calendar. Derby day was last week and did very well. Upcoming social club events-5/20 Mother's/Father's day brunch at 10:30 an, 6/11 resident Bingo. Sue Donnini will be the kitchen supervisor. Thank you for organizing the puzzles. Suggestion letter from Mike Malmberg re: golf course going down fast. Need a professional opinion to help. S-will meet with this person, Jason and Steve to discuss. We had a complaint about a dog not spayed come to doggie park, we do not have a rule about that. Also the owner of the dog talks about his sex life with people at doggie park. Rec'd to tell him you are not interested in that.

Don Morris-Will be making motion to increase transfer fee to \$200.00. Gave finance report. Had a phone call that one of our banks made an error and added all Sweetwater accounts to the main operating accounts. After a long exhausting ordeal it has now been corrected.

Steve Gade-If you see something at the front gate get the time and day so we can look it up on the cameras. The social club trailer is coming in on Monday. The hose is hooked up out back. #9 green is closed, using temporary green. Overseed hasn't died off yet. Rotted railroad ties by #14 will be replaced. Retention pond by #4 pond doing some weeding, still pretty wet. Looking into installing ladders at the dock. Signs of bats in the community. Put bat house by the dock, they eat mosquitos. Need to approve registered renters to pay \$5.00 golf fee. Need the electrician by #3 canal to repair pump. Going to drain and pump out water to get the pump out that isn't working. Newcastle will be temporarily closed. New dock numbers at the canal. Getting bids on repairing canal spots that are in bad shape. Putting up new netting and poles by maintenance that were damaged during the hurricane.

Ruth Freer-Food handler class with 20 people, now we have about 40. And 3 residents with food manager. We need to clean the kitchen. Nelson Tree Service will be in to do some trimming of palms and lift the oak trees at the entrance. They will also remove some storm damaged trees. They will trim any residents palm tree for \$40.00. Landscaping is suffering. Someone dumped a load of construction waste at the marina, this is not a garbage dump. Mike Flemming gave

a report on the Butterfly group-collecting cans for donations. Gardens took a hit with the hail storm. Pro shop-Bill Lantz financial report with income of \$5556.00 for the month of April. New hours have started closing at 11AM. Doing a survey about precious grass. Real Estate report by Ruth-we have sold all of our listings. Sweetwater Resales pays every month for office space, whether they sell a house or not. They are in compliance with all state laws and you can look them up at Florida Statute 475.

Comments:

Jim Morin-Has 3 bat houses (donated by Sweetwater Veterans) to be installed 12 -20 feet up. Maybe at the marina and by the pool. One bat eats about 5000 mosquitos every night. Bats are already here.

Betsy Dykeman-How about giving new owners a picture directory as a welcome gift? A-you can only get one if you get your picture taken. No one slows down and won't until there is an accident. Can we play anything besides 60's music at the pool. Maybe the 70's. Also don't pay any contractor up front.

Linda Kahn-I had made a suggestion a while ago about painting SLOW letters on the road. What about speed humps to slow traffic down.

David Kuhl-Suggest the BOD post on social media that you only need an architectural permit if you are changing any of repairs to the storm damage. Regarding the electric panels, if we get the 2 panels now then we can finish later with the quotes. Radar guns, idea for one or the other. Come up with a procedure for speeders.

Jim Huff- I am an ex-police officer. People are only going to stop if fines are associated with speeding.

Mike Flemming-Bat colonies have been living in our queen palms for years.

Richard Bernier-trash compactor stinks-it is leaking.

Susan Lantz-Pickle ball/tennis courts-we have not asked for the pickle ball court to be repainted. We turned in a petition to have chalk lines on the tennis court to play pickle ball. M-tennis players said it would be distracting. Would like to sit down with tennis players. M-Also rec'd a petition from tennis players against the chalk lines.

Patty Laney-The container is coming on Monday. Thank you to the social club board and members for this. Thanks to Richard Bernier for all your help. And thanks to the maintenance group for their help.

Diane Mullin-The first dock needs repair. S-getting quotes for that now.

Board of Directors meeting will be May 19th at 3:00 PM in the Ballroom . We will be broadcasting live on Facebook.

Meeting concluded at 5:10 PM.

Application for use of the Clubhouse

Starting in September 2023, we will be switching to yearly color coded Reservation sheets for the use of the Clubhouse.

This will include ongoing events as well as one time events.

A new sheet will need to be filled out each season in order to keep your reservation. If we don't have a new colored form, we will assume you do not want to continue your event and the time and place will become available for other Residents to reserve.

This will help with future reservations and identifying current reservations.

So, if you are going north for the summer and you have an ongoing event, you may want to stop by the office and fill out a new form for fall prior to leaving.
