**HOW TO SUBMIT ARTICLES**

Articles for Sweet Times may be submitted for consideration for publication by placing them in the box at the clubhouse. We **must have your name and phone number**, in case we have questions. The deadline is the 22nd of every month.

If you would like to have your anniversary included in Sweet Times, we will need to know the month, day, and how many years you are celebrating. We need this information **before** the deadline for the issue in which it should appear. As a reminder, we **do not** retain anniversary dates from year to year, so you will need to submit the date to us **each year**.

Changes or items for the calendar should be submitted by whoever is in charge of that event.

We **do** keep a listing of birthdays, but if yours is not already included, we need the **month and day** only.

Thank you, June and Howard Shaw, Editors

**Residents:**
If you have not yet filled out your 2016-2018 HUD form in the office it needs to be completed. In addition if you want to vote in next year’s Sweetwater Board election you **MUST** fill out a current Designated Voter Form. The Business Office

**SATURDAY MORNING GOLFERS:** There have been numerous requests over the past few years to allow couples to play together **EVERY SATURDAY**, as opposed to once or twice monthly (as currently done). In fairness to all golfers concerned, we have decided to bring this proposed change to the golfing community for a vote. During the month(s) of November and December there will be voting for (or against) the change. Votes may be cast in the pro shop during normal hours of operation. You may vote only once and the results will be posted in the January Sweet Times and on Channel 95. Questions? Ask your Pro Shop staff.

Respectfully, Ken & Melissa Greenwalt, Butch Clark & Kay Sevinson, Jim & Mary Bray

**News from the Exercise Facility**

The exercise center continues to be upgraded as needed. One of the treadmills wore out sooner than expected and the cost for repair was more then the machine was worth. A Pro-Form Pro 5000 treadmill has been ordered and should be here before the end of October.

The Weider weight machine was replaced this summer. Jim and Rita Caldwell found the machine, purchased it, and donated it to Sweetwater. A big Thank You to Jim and Rita.

Please remember when you have completed your workout to wipe down the machines and return all the settings to zero, unhook the Bo-Flex rods, and return all weights to the proper area. Also, please shut off the lights and fans.

If you have any issues or concerns, feel free to contact me.

Thank you, Perry Harkness

**Safety Corner**

Slow down! You have no need for speed. It's easier to stop when one is traveling slowly. Be sure to practice safety by checking your golf cart for lights and back up ALERT siren.

It's going to get busy on the streets with the snow birds returning. If you are walking, either at dawn or dusk, please wear clothing that can easily be seen, perhaps illuminating design. Carrying a flashlight or lantern is a good policy.

I have seen enough people going outside without foot covering. NOT a good idea. We have had injuries of late, with this practice. Could we keep a pair of slides by the exit door?

Remember—SAFETY-IN-THE-PARK.

The Social Club
Board of Directors
Informational Meeting
Friday October 14, 2016
3:00 PM

Present: Fred Mullin, Larry Bearfield, Cliff Jackman, Bruce Julin, Steve Gade, Mike Kahn and Ed Swindelles.

**Ed**- RSG Committee is now involved looking for a canopy for the dog park. Want a permanent structure to enhance Sweetwater.

**Cliff**- Finance Committee will start meeting next week to discuss the new budget. Meet in the Pub on Wednesdays at 9:00 AM. Golf Board elections there are no term limits. One of the treadmills is broken and will be replaced.

**Bruce**- Some people have inquired that they possibly got urinary tract infection, this is not a problem and Jeff Berdini will be discussing this at the BOD meeting next week. The pool furniture and umbrella have been cleaned. A new hand rail cover has also been installed. During the past hurricane the pool furniture was placed in the pool. After the storm cleared residents wanted to start using the pool before the posted open date. Volunteers removed the pool furniture over the weekend, but did not clean out the debris. Monday morning when maintenance tried to vacuum out the debris the line for suction was clogged. Attempts to fix this will begin next week. Summertime work around the community increases and the BOD will be looking into employment during the summer. Report of broken glass at the pool. If found who did this will lose privileges for a month. Pub contractor disappeared looking at new plans with another contractor.

**Steve**- Docks are numbered and match the numbers on stickers and parking spaces in the storage area. Have purchased an outboard motor for Sweetwater’s boat. Lightning hit the call box at the front gate and it has been repaired and has a ground circuit. Sweetwater stickers are available from Russell Reints.

**Larry**- WWTP is in pretty good shape, we are back to three hours every day. We have had some issues with irrigation and all new pumps are now in place. Doing some landscaping around the well project out back for irrigation. The Golf Board members will be having an election on November 15th from 8:00 AM to 4:00 PM. Working on summer golf tournaments. The lights out front at the SW, front well and dog park were out due to a blown transformer, it has been repaired. Looking into a storage building down by maintenance for approximately $30,000.00 to $35,000.00. Large enough to house $200,000.00 worth of equipment. Thanks to the Golf Board for helping to pay for greens work this past summer.

**Mike**- Has common maintenance. The fountain at the front canal has been repaired. Sweet Times are set up by Howard & June Shaw and they have been working on them for over 27 years. They buy their own supplies.

**Fred**- All BOD and office staff sign confidentiality statements. We go to great lengths to keep violations between originator, the office and the BOD. At the next BOD meeting will be clarifying the HUD rule regarding 55+. Can’t discuss cases because of confidentiality. The BOD hires the staff and if you have a concern notify the BOD. Minutes from the September 2012 BOD meeting eliminated the term limit for the Golf Board. In 2014 the office computer crashed and had an old copy of the Golf Board Rules. It has been since updated. When Sweetwater is in the path for a hurricane, pets will be allowed in a cage in the craft room for the day it is expected to hit. Pets not in crates must be in the pool side bathrooms. After the initial day of the storm pets will need to be removed from the craft room. There are now 2 new golf cart handicap parking spots by the bike rack in the parking lot. Vial of Life bottles are available to pick up at the office. Looking at doing a video inventory of Sweetwater property.
Comments:
Nancy Otis-400 York Cottage Drive. Clarify HUD rule regarding under 50 person staying at multiple homes. New addition would not allow this to take place.

Ray White-153 Victoria Drive. A lot of work goes into the kitchen why is the cook not getting paid. Bartenders can color and Pro Shop employees can play cards while getting paid. The kitchen manager does get paid.

Diane Kelsey-135 Victoria Drive. In the spirit of transparency the Social Club posts finances after each event on the bulletin board and in the Sweet Times. The Social Club is struggling for volunteers. Currently have about $25,000.00 in bank account.

Nancy Otis-400 York Cottage Drive. If Bingo has to post income why doesn't the kitchen. It was stated that kitchen profit and loss is posted every month on the bulletin board.

Mark Craft-246 Ramsgate Way. Many complaints about dirty houses and grass growing in driveways. Wants the BOD to drive around and notify residents. Stated if you see any violations fill out the form in the office.

Louis Massad-353 Melbourn Drive. With Bingo losing money who pays for the deficit? Bingo absorbs the loss. Bingo is making some changes with the hopes of getting more Sweetwater residents to participate. Suggested Sweet Times be online, and it already is.

Harold Mead-137 Victoria Drive. The BOD is doing a fantastic job.

Marilyn Best-262 Ramsgate Way. Thank you to the BOD. Social Club isn't losing money from Bingo. Bingo has it's own account. Picture sign up is on the bulletin board.

Bob Shea-287 Dartmouth Drive. Monday October 24th from Noon to 5:00 PM, the Blood Mobile will be in the parking lot. Sign up sheet is on the bulletin board.

Heidi Bernier-357 Melbourn Drive. Has been to a lot of different communities and this is a great community. Visitors say this is a pretty place. Let's focus on the positive not the negative.

Meeting concluded at 3:50 PM. Next scheduled Board of Directors meeting will be Friday October 21, 2016 at 3:00 PM.

**Sweetwater Pub Christmas Tree**

If you are a new resident, or have not put an ornament on the tree in the pub, here’s what you do. Make or buy an ornament, put your name and year you moved into Sweetwater on the ornament, then hang it on the tree. We will keep your ornament and will hang it on the tree for as long as you are living here. Tree should be up by beginning of December. If the tree is not up, there will be a box for ornaments in the pub.

FROM THE SWEETWATER BOARD OF DIRECTORS

The following change to Rule 2 C. in Sweetwater Rules and Regulations was voted on as a Board of Directors policy at the meeting on October 21, 2016. This rule will be on the ballot at the next Shareholder meeting to become a permanent rule under Rule 2 C. if approved. (The underlined paragraph at the end is the proposed change)

2 C. Discrimination
Under the Act, such housing for older persons exempts Sweetwater from the prohibition against discrimination on the basis of familial status and thus permits the following restriction. "No unit may be occupied by any person under fifty (50) years of age, except that persons under fifty (50) years of age may be permitted to visit for reasonable periods not to exceed two (2) consecutive weeks on any one occasion or thirty (30) days in any calendar year." Any resident who provides housing to individual(s) under the age of fifty (50) years beyond the allowable thirty (30) day annual visit to Sweetwater as provided in this paragraph commits a violation of this Rule 2C and is subject to a fine pursuant to the provisions of Rule 20 of these Rules and Regulations.

JUST FOR FUN

Two young sailors from the Midwest were traveling aboard a ship for the first time. As they left port, one motioned to the wide expanse of ocean and said, "Did you ever see so much water in your life?" The other sailor said, "And we're only looking at the top of it!"

President John Tyler had fifteen children! His youngest child was born when Tyler was seventy years old. Tyler became President upon the death of William Henry Harrison who died in office. When John Tyler was given the news that he was President, he was found on his hands and knees playing marbles with his children.
