HOW TO SUBMIT ARTICLES

Articles for Sweet Times may be submitted for consideration for publication by placing them in the box at the clubhouse. We **must have your name and phone number**, in case we have questions. The deadline is the 22nd of every month.

If you would like to have your anniversary included in Sweet Times, we will need to know the month, day, and how many years you are celebrating. We need this information **before** the deadline for the issue in which it should appear. As a reminder, we **do not** retain anniversary dates from year to year, so you will need to submit the date to us **each year**.

Changes or items for the calendar should be submitted by whoever is in charge of that event. We **do** keep a listing of birthdays, but if yours is not already included, we need the **month** and **day** only.

Thank you.

Quilt Club Update

Charity Quilt Day was a huge success. We completed 68 quilts which have been sent to Johns Hopkins Children's Hospital in St Petersburg, Florida. We want to thank the community for donated fabric, money and the ladies and spouses who helped on that day.

We have started planning for next year’s event.

We are accepting donations of cotton children’s fabric at this time and throughout the year.

Again **THANK YOU ALL!!**

CHICKEN WING NIGHT 2018

This year’s wing night was another successful event. I want to thank everyone who participated.

A special thanks to those that helped pull it off: my wife Debby, Kari and Nita for tickets at a busy time of year, my friend Scarey Egger who came down to make all the sauces, Diane Rogers for posters, all the crew who worked tirelessly to serve all of you: Johnny Johnson, Russell Reints, Fred Mullin, Perry and Cheryl Harkness, Kyle and Barb Ewing, Bruce and Gwen Julin, Gwen's friend Billy, Jeff and Julianne Berdini, Wink and Sue Carlson and Ray White. These special events are impossible without the help of so many. Please thank them when you see them. It means a lot to us.

We made $324.22 for the new shuffle board table.

Gratefully, Jack R Hollowell

GOLF LESSON # 1
Addressing the Ball

Using a pen (a Sharpie works best) address your golf ball.

Question: Why address a golf ball?
Answer: You address your golf ball so that it knows where to go.

Question: Why do you address your golf ball?
Answer: You address your golf ball so that it does not get lost.

Question: Why do you address your golf ball?
Answer: Because many, many years ago some person addressed a golf ball and it has since become a tradition.
Board of Directors Meeting Minutes
@ Clubhouse, Friday January 19, 2018 3:00 P.M.

President Larry Bearfield called the meeting to order at 3:00 P.M. Secretary Ed Swindelles gave proof of due notice, roll call was taken, constituting a quorum.

Fred Mullin made a motion to waive the reading of the minutes from the December 15, 2017 Board of Directors meeting and to approve them as posted. The motion was seconded by Cliff Jackman the motion passed unanimously.

Steve Gade moved to accept the Treasurers report as presented (as posted on bulletin board in the Clubhouse) seconded by Fred Mullin and passed unanimously.

**Old Business:** None for this meeting.

**New Business:**
- Motion by Fred Mullin to sell one pool table and buy a 22' indoor shuffle board table not to exceed $4000.00. With the balance to be paid for by fundraisers. Seconded by Cliff Jackman and passed unanimously.
- Steve Gade made a motion to purchase a 125KW diesel generator and 400 amp ATS Blue Star Model JD-125-02 for a cost of $37,781.70 from Mid Florida Diesel. Seconded by Fred Mullin, discussion followed and motion passed unanimously.

**Announcements:** None for this meeting

There being no other business before the Board Fred Mullin made a motion to adjourn and it was seconded by Mike Kahn. The motion carried and the meeting adjourned at 3:10 P.M.

**Next Meetings:**
The next Board of Director informational meeting will be Friday February 9th at 3:00 P.M. with the budget explanation meeting to follow. No Board of Directors meeting for February. Annual Shareholders meeting will be Tuesday February 20th at 7:00 P.M.

Board of Directors
Informational Meeting
Friday February 9, 2018
3:00 P.M.

Present: Larry Bearfield, Bruce Julin, Steve Gade, Fred Mullin, Cliff Jackman, Ed Swindelles, and Mike Kahn.

**Larry**- The back well should be ready next week for water samples for the Health Department, and hopefully back on line quick. We had planted 300 trees out front and someone stole 11 of them last week, we are looking into this. A lot of people got the SWFWMD survey, they are trying to get info about water in and around our area. They have been doing a study about sending some water to Lake Eva. Help us with extra water. They are gathering info regarding the last hurricanes. On #4 we are having Applied Aquatics will be spraying and cleaning out the area for about $4000.00. We are looking into 2 residents per household, our attorney said the BOD has the authority to do it, and we are now working on it. We have had a request for the food donation to continue and there will be a basket for can goods.

**Ed**- Get your tickets for Valentine's Day in the office.

**Steve**- The Golf Board has requested to close the golf course April 13-15 for a tournament. Also the Golf Board want to move the forward tees on #4, the Golf Board is paying for this to be done. We need CAP volunteers, it requires 2 hours a week driving around the community. Current CAP members please take turns using both carts.

**Mike**- There are a number of houses that do not have hangers or name plates, if you need one they are available in the office. We will be looking after a while to make sure everyone complies.

**Bruce**- Had several complaints that after events, the garbage is left outside the door and raccoons, are getting in and making a mess. New policy that after each event you have to dump your own trash, if not there will be a $50 - $100 fine. Thanks to Laurant for working on the outside areas especially the bocce ball courts. The nets at the tennis courts are frayed and will be replaced. Spectrum will be coming to get WI-FI in the pub and around the pool area. Also complaints of people cutting through private property at the end of Edinburgh to get to the main drag. Need to advise that this is private property and not a thorough fare. The shuffleboard table has been ordered and will be here in about 6-8 weeks.

**Fred**- RSG Committee is looking at policy for whole house generators. Recommended and BOD concurred propane only not diesel. Have to go through gas company. Tank has to be above ground and on a slab, tanks have to be strapped down, some type of enclosure with top opening and quieter than 85 BTU. Going to attach to architectural application, portable generators are OK.
Cliff- Nothing for this meeting.

Comments:
Juliann Berdini-2 Edinburgh. The spraying on #4 won’t interfere with the ladies golf tournament on the 19th. L-No.
Butch Clark-3 69 Melbourne. Have we hired a replacement worker yet? L-No.
Brandon Pryor-303 Townbridge. On the 2017 and proposed 2018 budget I would like to recommend having the profit and loss statement included. Better informed of expenditures. No big deal, just a suggestion. C-The P & L is posted on the bulletin board by the office each month and any time you want a copy you can request it from the office.
Charlie Grisdale-95 Newcastle. I have been on the RSG for years, we are looking for volunteers. Be involved in the community. Bridge #8—we need helpers to finish work on the bridge. All bridges are about at the age for repair. The Prostate Tournament is coming up. Sign up at the Pro Shop. Going to be doing a video of permanent property for inventory, we need some help. See Marge Graber.
Ruth Littlefield-189 Dartmouth. There are a lot of dead trees at Lookout Point, by #6. When can they be removed and cleaned up. L-We are unable to do anything in there, it is wetlands and protected. We used to clean it out, but someone from here called the DEP and they came out and said we can no longer do anything to the area.
Kay Sevison-378 Townbridge. Thank you for looking into the situation with more than 2 people per home. If and when implemented who will monitor? There are approximately 150 single homes and with extra people it puts a lot of people in this community. L-The office gets the paperwork to determine that when they register and show ID’s. We cannot tell you how many people live in your home, but we can tell you we are going to charge you. We need a rules committee. When riding around the community we all need to be observant. C-There is already a committee.
Sharon Farrell-47 Straphmore. Regarding the issue of the letter from SWFWMD and the lake, do we need to be proactive. Don’t just throw it away fill it out and send it back. L-Lake Eva has no other lake that runs off to it right now, this study is to see about Lake Henry sending run off water to Lake Eva. Yes fill out the form if you received one and send it back. Sweetwater is also filling one out and sending it back.

The Budget meeting is immediately following this meeting.

Next the Annual Shareholders Meeting will be Tuesday February 20th at 7:00 P.M. in the Ballroom.

Meeting concluded at 3:30 P.M.

GOLF LESSON # 2
Setting the Golf Tee

Place a golf tee between two of your fingers and then place the back of your hand on the ground where you want to place the tee. Then with your thumb push the tee into the ground until it is flush with your fingers. An alternate to this for harder soil is after you have placed the tee between your fingers you then take a golf ball and place it on top of the tee. Grasping the ball on top of the tee then push the tee into the soil until flush with your fingers.

Question: Why do you use these methods to set your tee?
Answer: With these methods you will have consistent tee height from time to time.

Question: What if some well intentioned person wants to set your tee using these methods?
Answer: This would not be wise because their fingers could be much smaller or larger than your thereby affecting your consistent tee height.
Come Celebrate

DYNGUS DAY!

Monday, April 2, 2018

5-7 P.M.
Tickets $3:00 (limited to 100)
which includes a Hard Roll Kielbasa Sandwich
Tickets Available in the office

Please Bring a Dish to Pass

Dyngus Day is a fun Polish Holiday. It is very popular in Polish communities across America. It is always celebrated on the Monday after Easter. Dyngus Day celebrates the end of the often restrictive observance of lent and the joy of Easter. Over the decades Dyngus Day has become a wonderful holiday to celebrate Polish-American culture, heritage, and traditions.

Annual Shareholders Meeting Minutes
February 20, 2018

President Larry Bearfield called the meeting to order at 7:03 PM. Secretary Ed Swindelles gave proof of notice.

Fred Mullin made a motion to waive reading of the minutes from the February 21, 2017 Annual Shareholders Meeting and to approve them as written. Ed Swindelles seconded the motion and the motion carried.

Announcements: There were three openings for Board of Directors and three candidates, so there will be no election. New Board Members are Cliff Jackman, Mike Kahn and Ruth Freer. No Shareholder quorum is needed as there are no issues up for vote.

President Larry Bearfield thanked Fred Mullin for all his years on the Board of Directors and all he has done for Sweetwater.

There being no further business, Ed Swindelles made a motion to adjourn the meeting. Motion seconded by Mike Kahn. Meeting adjourned at 7:10 P.M.

Immediately following the Shareholders Meeting, the New Board of Directors met to elect their officers. They are: President-Larry Bearfield, Vice-President-Bruce Julin, Treasurer-Cliff Jackman and Secretary Ed Swindelles.

Respectfully Submitted,
Ed Swindelles, Secretary

Veterans Memorial Plaque

Our Sweetwater Veterans Memorial Plaque is in Our Lobby! Thanks to all who donated to make this possible.

We are proud of our Veterans here at Sweetwater, and honor all of them!

The beautiful case that holds the flag, was handcrafted by Tom Benard.

This flag flew during the Gulf War and was the Battle Flag that flew over the USS Nashville whose Captain was Shawn Tallant. It flew over Sweetwater for a year.

Once Again, Thank You!!

2017 Annual Budget Meeting Minutes  
February 20, 2018

President Larry Bearfield called the meeting to order at 7:10 P.M. Secretary Ed Swindelles gave proof of notice. Roll call was taken constituting a quorum. Present: Fred Mullin, Cliff Jackman, Bruce Julin, Larry Bearfield, Ed Swindelles, Steve Gade and Mike Kahn.

Fred Mullin made a motion to approve the minutes from the February 21, 2017 Annual Budget Meeting as posted, seconded by Ed Swindelles. The motion passed.

Cliff Jackman made a motion that the Board of Directors adopt the budget for the fiscal year 2018-2019 as presented by the Finance Committee and distributed to all Shareholders in January 2018. The motion was seconded by Fred Mullin. The motion passed.

Comment: Wil Trottier-242 Ramsgate. Why do we not get an actual expense report. C-The year end would not be ready in time for mailing due to our fiscal year. In April it is posted on the board by the office and you get a copy of our annual audit.
Nate Dahlman-372 Melbourn. Why are you raising our maintenance fees? And why did you raise the fee for boats and R/V’s? C-The increase of $5.00 is to pay back the loan we used from Reserves to purchase the land out front. The other fee is to cover increase in expenditures related to storage and the dock/marina area.

There being no further business before the Board, a motion to adjourn was made by Fred Mullin and seconded by Mike Kahn. The motion passed and the meeting adjourned at 7:20 P.M.

Respectfully Submitted,

Ed Swindelles, Secretary
Beginning this month, every issue of the Sweet Times will contain reminders of the Rules & Regulations that each person, whether a homeowner, renter or guest, is expected to follow in order to keep Sweetwater the wonderful and desirable place it is.

**Homeowners are responsible** for informing renters and/or guests on the Sweetwater Rules & Regulations. As an owner, **you** are responsible for the conduct and decorum for all persons either visiting or renting your property.

1. All vehicles, including automobiles and golf carts, must observe the speed limit of 15 miles per hour. See Rules & Regulation, Section 5e.

2. Alligators are not to be fed or taunted in any area within Sweetwater. Alligators or snakes that become a nuisance should be reported to the Business Office for removal. **Do not** leave food on the ground to attract unwanted animals to the area. See Rules & Regulations, Section 13b.

3. Persons must shower before entering the pool or Jacuzzi. See Rules & Regulations, Section 10e.

4. Food or drink shall not be permitted in the pool or Jacuzzi areas, except in the area so designated. The designated area is under the canopy. See Rules & Regulations, Section 10k.

5. The Corporation must approve all pets. No pet's weight may exceed 20 pounds. No more than two pets are permitted. While outside, all pets must be kept under leash at all times, except in the fenced in dog area. Pet owners are responsible for the removal of their pet's litter from their lots and all other areas. Walking leashed pets on the streets is permitted. Pet owners must not allow their pets to trespass on other resident's property to relieve themselves. Pets are not permitted in any of the recreation areas or community buildings. See Rules & Regulations, Section 9.

IMPORTANT REMINDER FROM THE SECURITY TEAM
If you are leaving Sweetwater to go north or on vacation for an extended period of time, we remind you to store any outside items in your shed or house as a preventative safety measure in case we suffer hurricanes during the upcoming season. Security people canvassed our streets last year in preparation of impending hurricanes and secured any item that may have become a projectile. We ask that you make it easier for Security this year by thinking ahead and helping to make us safer during any possible storm. Thank you!

Sweetwater Golf Board of Directors  
Meeting date March 13, 2018

The meeting was called to order by the President, Perry Harkness.

Present were Perry Harkness, Gwen Julin, Mike Hasselmann, John Mueller, Jack Hollowell, Jeff Berdini and Butch Clark. A quorum was established.

Guests present were: None

A motion was made by Butch and seconded by John to accept the minutes of the January 2, 2018 meeting as posted. Motion carried.

John Mueller presented the Treasurer's report. In addition he noted this year's hole sponsorship money is starting to come in, but several of the sponsors have passed. An advertisement will be made for new sponsors. A motion was made by Jeff and seconded by Gwen to accept the report. Motion carried.

**OLD BUSINESS:**

1. Gwen presented the final version of the proposed rules changes/clarifications. These will be presented to the BOD.

2. The weeds have been sprayed and taken down in front of the tee at hole #4, and Jason's crew will start construction of the new forward tee when they have time. Gwen noted that we will need a new tee marker with the distance on it.

**NEW BUSINESS**

1. Valentine's tournament: we had a good turnout, and $311 was made. It was noted that no beverage cart was available; this and lack of some requested beverages when there is one, will be discussed with the pub manager.

2. The April Fool's tournament will be 3/31, 9 A.M. John discussed a new idea, and it was accepted. Will be played on one hole of each nine.

3. John discussed the idea of offering SW golf bag tags again, and Gwen added that SW pencils were also being investigated. This will be followed up.

4. Butch noted and Jeff agreed, that although we know of no incidents ever occurring there, the exit path from Hole number 6 tee seems to represent a potential hazard, as one could wind up in the canal if one were not paying attention. A guard rail was suggested, and this will be brought to the resource Committee for action.

5. Butch reviewed the results of the cart path inspection, and after long discussion, it was decided Butch and Jeff will make a priority list of repairs needed and present it to the BOD for approval to allow us to have volunteers make repairs.

6. John noted there are plans to remove the tree stump behind Hole #11 forward tee.

7. Gwen questioned whether a rule should be implemented to forbid golf carts on the course which do not carry sand to fix divots? In discussion it was felt this would not be possible, and every golfer must take responsibility for their actions on the course.

The next meeting will be April 3, 2018.

A motion to adjourn was made by Butch and seconded by Jack. Motion carried.

Respectfully submitted,

Jeffrey Berdini, Secretary, Sweetwater Golf Board of Directors

Mens Cancer Rally 2018

On March 2, 2018 at 12:00 P.M., the 6th annual Prostate Cancer golf tournament was held once again in Sweetwater. Dressed in their light blue for their support, the ladies once again came through to volunteer for this worthy cause.

The enthusiasm and energy the ladies bring to this tournament is awesome. So many look forward and want to be involved that it is impossible to name them all.

The ladies do the measuring/recording, 50/50, raffle tickets, prizes and food/drinks stands are all very dedicated and want this to be a success.

The putting competition was another huge success again this year. The perfect weather made it even more enjoyable for over 100 golfers.

Committee members of Ken Phillips, Jim Caldwell, Brandon Pryor and Dan LaBell raised even more this year at topping over $5200.00 for this great cause. A big thank you to everyone that participated and made this possible and looking forward to next year.

GOLF LESSON # 3

Retrieving a golf ball from the Cup. When retrieving your golf ball from the cup you should first look into the cup.

Question: Why should you look into the cup first before retrieving your golf ball?
Answer: Because you do not know that some critter or animal may have moved in and decided to make it his home.

Question: Why should you look into the cup first before retrieving your ball?
Answer: Because you don’t know if a person from the group just ahead of you might have lost their sun glasses or various other items in the cup while retrieving their golf ball.

SUMMER EXERCISE CLASS

If you are interested in attending a low impact, twice weekly, chair exercise class, please contact me. These exercises, assembled by Tufts Medical School, help with bone strengthening and balance. Most exercises are done seated, NOT on the floor, some are done with light hand weights. Each class should be approximately 45 minutes on Mondays and Thursdays at 10:30 a.m.

3. Property (Home and Lot)

A. Maintenance

Residents are responsible for maintaining their property in good condition and shall adhere to and comply with all health and safety codes, ordinances, and laws of the Local and State Government. Homes should be periodically washed to remove mildew and shall otherwise be kept clean and in good repair. The resident is responsible for the home, structural appurtenances and all items located on the lot, as well as mowing, weeding, edging, trimming and general care of the lawn, including fertilization and treatment for insect infestation. Residents leaving for a period of more than fourteen (14) days must notify the Corporation of their leaving and what arrangements they have made to care for their home and lot during their absence. Lots and homes which are not maintained to the standards of the community may be maintained by the Corporation and a minimum fee of $25.00 per occurrence will be charged. The Corporation shall have the right, but not the obligation, to enter upon a lot for the purpose of maintaining the same. Residents are responsible for the maintenance of the landscaping. (Hedges shall not be allowed to grow in excess of four (4) feet in height. Trees and shrubbery must be cut back from the street line so as not to obstruct visibility for oncoming traffic. The owner should leave extra light bulbs for the acorn globes with a neighbor. The owner must leave a key for access to the storage shed so the sprinkling system can be adjusted in an emergency or during water regulations, (approved 2-16-2016)

Special thank you to the following residents for their help with the golf ball netting at the maintenance yard, cleaning up the downed trees and the bridge repair. Brandon Pryor, Jim Caldwell, Dan LaBell, Lewis Massad, Jack Hoffman, Gil Coonfare, Larry Bearfield, Ken Overmeyer, Charlie Grisdale and Terry Targent.

April Fools' Day
Encyclopaedia Britannica Article

dalso catted All Fools' Day

in most countries the first day of April. It received its name from the custom of playing practical jokes on this day— for example, telling friends that their shoelaces are untied or sending them on so-called fools' errands. Although the day has been observed for centuries, there are different explanations for its origin. It resembles festivals such as the Hilaria of ancient Rome, held on March 25, and the Holi celebration in India, which ends on March 31. The modern custom may have originated in France when the Gregorian calendar, which moved New Year's Day from March 25 to January 1, was adopted in 1582. Those who continued to celebrate the end of New Year Week on April 1 were referred to as fools. The timing of the day also may be related to the vernal equinox (March 21), a time when people are said to be fooled by sudden changes in the weather.

There are variations between countries in the celebration of April Fools' Day, but all have in common an excuse to make someone play the fool. In France, for example, the fooled person is called poisson d'avrit ("April fish"), perhaps in reference to a young fish and hence to one that is easily caught; it is common for French children to pin a paper fish to the backs of unsuspecting friends. In Scotland the day is Gowkie Day, for the gowk, or cuckoo, a symbol of the fool and the cuckold, which suggests that it may have been associated at one time with sexual license; on the following day signs reading "kick me" are pinned to friends' backs. In many countries newspapers and the other media participate—for example, with false headlines or news stories.
