HOW TO SUBMIT ARTICLES

Articles for Sweet Times may be submitted for consideration for publication by placing them in the box at the clubhouse. We **must have your name and phone number**, in case we have questions. The deadline is the 22nd of every month.

If you would like to have your anniversary included in Sweet Times, we will need to know the month, day, and how many years you are celebrating. We need this information **before** the deadline for the issue in which it should appear. As a reminder, we **do not** retain anniversary dates from year to year, so you will need to submit the date to us **each year.**

Changes or items for the calendar should be submitted by whoever is in charge of that event. We **do** keep a listing of birthdays, but if yours is not already included, we need the **month** and **day** only.

Thank you.

Dyngus Day is a fun Polish Holiday. It is very popular in Polish communities across America. It is always celebrated on the Monday after Easter. Dyngus Day celebrates the end of the often restrictive observance of lent and the joy of Easter. Over the decades Dyngus Day has become a wonderful holiday to celebrate Polish-American culture, heritage, and traditions.

Sweetwater Golf Board of Directors

Meeting date February 6, 2018

The meeting was called to order by the President, Perry Harkness.

Present were Perry Harkness, Gwen Julin, Mike Hasselmann, John Mueller, Jack Hollowell, Jeff Berdini and Butch Clark. A quorum was established.

Guests present were: Steve Gade, BOD Liaison; John Lunnie.

A motion was made by Butch and seconded by John to accept the minutes of the January *2,* 2018 meeting as posted. Motion carried.

John Mueller presented the Treasurer's report. A motion was made by Butch and seconded by Mike to accept the report. Motion carried.

OLD BUSINESS:

1.Flags: A motion was made by Butch and seconded by Jack to allocate funds to pay for the new flags. Motion carried.

2.Dress Code: Gwen presented a simplified Dress Code to replace the long winded verbage presently in place, based on our discussion at the last meeting. Additionally, we will add "GOLF" shirts to the rule of collars and sleeves. These changes finalized our recommendations.

3.Gwen presented a revised written list of the proposed rules changes/clarifications. These were discussed again and our recommendations were finalized.

4.New drop zones for holes #4 & 7 were discussed. There was no consensus of opinion on this.

5.Golf course availability was again discussed. Steve again agreed, as did Larry Bearfield at the last meeting, and this is being implemented.

NEW BUSINESS

1.Glad You're Back Tournament: had a good turnout, and $128 was made from the 50/50.

2.Closest to the pin on second shot was very unpopular with the women at the last tournament, and will not be used again for them.

3.The format for the St. Pat's tournament(2/17, 9 A.M.) will be 6,6&6. The April Fools Tournament will be played March 31(April 1 is Easter.) Format will be 2 person scramble and "surprises". The dates of the remaining tournaments were finalized, and Gwen will pass them on to the leagues and Terry Friedman, the Pub manager.

4.Gwen noted that the bulkhead on hole 16 is damaged. This needs to be addressed.

5.John noted the dues for Hole signs are coming due soon, and he will collect them.

6.Butch noted the ball washers on Holes 3&17 are broken. This will be addressed. He also noted the trash receptacles were not being emptied in a timely fashion. Jason was notified.

7.Gwen suggested the maintenance crew could make a path across the median on the boulevard where the cart path leading to 17 green empties onto the boulevard. This would, hopefully, stop golfers from going the wrong way on the boulevard at the end of play. A letter will be sent to the Resource Committee asking for their opinion, as this is Common Property, not the golf course. A copy will also be sent to the BOD.

8.John Lunnie asked for a rules clarification: on Hole #9 he notes often a player hitting their tee ball to a position out of bounds on Hole #3 fairway will drop inside the white stake line on that side, even though the line of the ball was never inbounds as it crossed the canal. The Board agreed with him: this is incorrect, and the ball should be dropped on #9 fairway where it crossed the hazard.

The next meeting will be March 13, 2018.

A motion to adjourn was made by Butch and seconded Jack. Motion carried.

Respectively submitted,

Jeffrey Berdini, Secretary, Sweetwater Golf Board of Directors

Board of Directors
Informational Meeting
Friday January 12, 2018
3:00 P.M.

Present: Steve Gade, Fred Mullin, Cliff Jackman, Ed Swindelles, and Mike Kahn. Absent: Larry Bearfield and Bruce Julin.

Ed- Happy to announce that Channel 95 and 732 are up and running. Music is on 95 but not yet on 732.

Fred- There were 3 openings for the Board of Directors and 3 applications. There will be no election. The new members are Cliff Jackman, Mike Kahn and Ruth Freer. The notice for the annual meeting has to be sent out by the 20th so if you have petitions out they need to be in the office by Tuesday, to confirm accuracy. If you turn in a petition to the BOD they have 14 days to act and possibly hold a Shareholder meeting. Please make every effort to get it in by Tuesday. Next Friday the packets will be going out with the budget. The budget will be explained after the informational meeting on February 9th. The WWTP generator has been ordered and takes about 12 to 15 weeks at a cost of $37,781.70. It is mostly covered by insurance. Request by some people to buy a table shuffleboard and sell one of the pool tables. The remaining 2 pool tables will be turned sideways and the shuffleboard table will be next to the windows. Some of the funds to pay for the shuffleboard table will be raised through fundraisers and the balance has been asked to be paid for from the general budget. Will be discussed and voted on at the BOD meeting next week. According to Rule 5G. There is no driving or parking of any vehicle on the grass, sidewalks, pool decks or parking on the golf course. So there will be no parking of cars on the property out front. The only exception is the annual garage sale, for 1 day special event. We will continue the practice of the cancer tournaments for no charge for golfing. The Florida Fish & Wildlife say they want to meet again regarding the vegetation on the lake. They will be taking samples for fish hatching. To call a special meeting the Shareholders need 10% of the total number of shares outstanding to request the meeting. (By Law 3.4) To request an amendment in a rule or the bylaws by the Shareholders 1/3 of the Shareholders need to request. (By Laws 10.2 and 10.3). There have been requests for people to put in whole house generators. The RSG committee will be doing more research for the BOD. There are some concerns from some residents so more research will be done. However, if it is on your property and done legally it should be OK.

Steve- Nothing for this meeting.

Mike- Nothing for this meeting.

Cliff- Nothing for this meeting.

Comments:
Butch Clark-369 Melbourn. Is there a provision on the budget for the cart paths, they are in bad shape. C-No provisions for just cart paths, it is covered under golf course.
Danny LaBell-78 Straphmore. Why are the fish dying, spraying? F- Come to the meeting for answers.
Sanda Andrews-373 Melbourn. Realtor signs, the rule says 15 x 18, there are no signs that size in the community. F- that size was intended for individual, For Sale By Owner. Barbara Poe-298 Townbridge. Soliciting for petitions in the Pub, that is not a place to sign petitions.
Frank Phelka-278 Dartmouth. Should be 33% instead of 10% for petitions. F-Currently 10% can call for a special meeting. The By-Law already calls for 33% to change a rule or by-law.
Ardith Lynch-65 Straphmore. Why 42 homes, 10% of 418 houses? F-There are 416 homes and 412 Shareholders.
Lewis Massad-353 Melbourn. Why does the internet not work well in the Clubhouse? F-We run off of a wireless router, will look into it.
Danny LaBell-78 Straphmore. He spoke with Bruce Julin and had someone come in and discuss the routers at the Clubhouse and give a quote, but it was a bit too high. Will be looking into this further.

Lewis Massad-353 Melbourn. What is the status of the well. F-The #2 well has a cracked casing. Will be switching over the other well there for potable water and using #2 for irrigation.
John Johnson-356 Melbourn. Problem with petitions, how many times can the same thing be put on a ballot, can there be like a 10 year time for it to be on again. Liza Willis-60 Straphmore. What about using solar shingles on homes? BOD will possibly look into this.

Cliff Jackman made a motion to accept the 2018/2019 budget from the Finance Committee. Seconded by Mike Kahn and passed unanimously.

Next Informational Meeting will be Friday February 9th and the Annual Shareholders Meeting will be Tuesday February 20th at 7:00 P.M. in the Ballroom.

Meeting concluded at 3:30 P.M.

Thank you to all those who voluntarily donated items for the baskets. The overall response received was above our expectations. Thanks too for buying the raffle tickets. Approximately 72% of the money made from the raffle was the result of the participation of Sweetwater residents/affiliates. This is reflected in the above list. Over 74% of the baskets were won by Sweetwater residents, renters, family members or employees.
Whether or not you won a basket, you are a winner because over the next year the money raised at the annual garage sale will support the events of the social club which benefit us all. Thanks again. S. Kelso

HAND WASHING
Why it matters. Illness-causing bacteria can survive in many places around your kitchen, including your hands, utensils, and cutting boards. Unless you wash your hands, utensils, and surfaces the right way, you could spread bacteria to your food, and your family.
