Card making in the Craft Room
Card making...do you want to learn more about making cards? Experienced greeting card makers, are you happy to join together and play? Come into the craft room every Thursday at 1:00 for open card crafting. All are welcome, newbies and experienced alike to have fun. Also, if you have received cards and didn’t want to throw them in the trash, they can be recycled into new cards.

Bring them too. We have a good time, hope to see you there.

Jane Gates 717-350-4763 if you want to call. Please leave a message if I don’t answer.

**IF YOU ARE EXPERIENCING PROBLEMS WITH YOUR MAIL DELIVERY CALL THE HAINES CITY POST OFFICE AT 863-422-2901.**

INTRA SWEETWATER MAIL
Not everyone is aware that we all should have a mailbox or basket located by a door at our home for intra-Sweetwater mail. This mail would include informational flyers or cards sent by other Sweetwater residents. For those of you who are not familiar with Sweetwater’s mail delivery system, a mailbox is located in the foyer next to the office for cards to be delivered to Sweetwater residents. Each month, anniversaries and birthdays are listed in the Sweet Times. If you wish to send cards, just put the person’s name and address on the envelope and the date when you want it delivered where the stamp would go and put in the “mailbox”.

CAP
Volunteers are needed for our Sweetwater CAP patrol. CAP stands for Citizen’s Assisted Patrol. It is a crime prevention program started by Sheriff Grady Judd. Citizens patrol are volunteers who drive or walk the community on regular patrol to report incidents and problems to law enforcement and provide a visible presence that deters criminal activity.

It has been proven that communities with the CAP program have been able to deter crime through the visibility of the daily patrols within their communities.

A seven hour training course is required for participating in the program. Then you return to Sweetwater and will train you for what needs to be done here in our community. Each volunteer is required to provide 8 hours of service each month. (2 hours a week)

If you are interested and need an application, please see Joe Akin at 286 Dartmouth,

Board of Directors  
Informational Meeting  
Friday October 11, 2019  
3:00 PM

Present: Jeanette Delisi Ruth Freer, John Farkas, Larry Bearfield and Steve Gade. Absent: Nancy Hasselmann and Mike Kahn.

Larry stated he has been diagnosed with Mesothelioma (lung cancer) and I want to thank Steve and the BOD for taking care of things while I was ill. I don't know how long I will be able to be on the BOD but for now I am staying.

Jeanette DeLisi-Rules and Regulation committee submitted their report to the BOD. Thank you RSG Committee for helping get bids to replace the front doors of the Clubhouse.

Ruth Freer- Thanks for the compliments on the new front landscaping and the plan is to try to continue in front of the clubhouse. It is labor intensive and then it won't have to be done for some years. Plant holders made by Ryan are in front of the clubhouse and can be changed for the seasons. A couple notes in the Sweet Times for the street signs to be painted and asked for volunteers to do that, and for the past couple years we have been doing plants for the annual yard sale. I asked for some help starting some plants, no response. Let me know if you want to volunteer. Someone ran into the fence at the clubhouse. We are going to replace it and the resident will pay for it. Golf carts are not meant to be on the sidewalk. You can use the back doors if needed. There are no steps there and you can just walk in.

Steve Gade- Thank you everyone to help with the bridges. Doing #6 bridge this weekend. Also thank you to William and Cheryl Wald and their son for painting the docks. We are going to work on the fishing pier dock also.

John Farkas- Nothing for this meeting.

Larry Bearfield- The DEP has approved the permit for reconstruction of the WWTP. Will be going out for bids and then we will have a better idea of the cost. The generator on #13 is getting completed, had some complications with the transfer switch. We will be meeting with the R & R committee in the next three weeks.

Comments:
Linda Kahn-249 Ramsgate. Myself and Ardhith Lynch have been doing the welcome committee visits since 2016. In 2016 we visited 16 homes, in 2017 22 visits, in 2018 31 visits and so far in 2019 we have visited 24.
Marilyn Best-262 Ramsgate. New phone directory books are coming. Sign up in the hall. Need volunteers to be hostesses and hand out literature. They will be taking pictures on November 13-14-15, if you can't make those they will be back in January. You can also submit your own photo for a $10.00 fee.
Dixie Grande-263 Ramsgate. We need volunteers for the library. Please return the books to the containers by the doors. We also have magazines-phone books-and coupon books.
Joan Gade-31 Edinburgh. I know this has been brought up before. I walk and ride my bike every day and never in the 15 years of living here have I seen such speeding cars. I think the stop signs are just for decoration. This is very dangerous, please slow down.

Marge Graber-385 Townbridge. The Social Club will pick up after the individual yard sales. We need guys to pick up stuff, if we have no volunteers we will not be picking things up.

October informational meeting will be the 11th at 3:00 PM and the BOD meeting will be October 18th at 3:00 PM, in the Ballroom

Meeting concluded at 3:20 PM.

Ruth O. Green, Secretary

Journey with us as we depart from Miami on a stunning 7 day Caribbean voyage. We will slowly make way to our first stop, Labadee, Haiti, where you can chase an adrenaline rush on an alpine coaster one minute, and do some sun soaking the next. All right in the middle of rolling jungles and sparkling beaches. We arrive at our next port of call on the following day, Falmouth, Jamaica, which is nestled between Montego Bay and Ocho Rios. Get to know Bob Marley here with a tour of his birthplace town, Nine Mile. Saunter the grounds of the Greenwood Great House, an 18th-century mansion or choose to explore the breath-taking Dunns River Falls. A day at sea gives us more time to enjoy all the wonderful amenities aboard this magnificent floating resort. Our next stop is Cozumel, Mexico. One of the top diving destinations in the world for its bright storybook coral reefs, the island of Cozumel is also home to a variety of natural beaches. Choose a beach with soft white sand for relaxing, or snorkel off a rockier vista. A destination for both adventure and romance, Cozumel has a year-round Caribbean climate, untrammelled jungle and abundant nightlife. The beauty of its waters and sea life below are truly spectacular for our snorkeling and diving enthusiasts. Bargains abound here for our shopping professionals. Duty free, along with numerous shops and stores for various Mexican wares, is a great combination for Caribbean shopping. Remember to look for the gem of Mexico, tanzanite, showcased at the many jewelers in Cozumel. Relax and take in the festive atmosphere onboard for our final day at sea. Take this time to recover and be pampered in the ships spa, or sit by the pool and work on your tan as we return to Miami. Tomorrow, we say good-bye to this floating beauty. Our motorcoach will transfer us back to Sweetwater with wonderful memories or a fabulous cruise.

Think you can beat the clock?

Do you trust your GPS or do you always assume you can get there just a little bit faster? Arriving to a birthday party a few minutes late isn't usually a big deal, but overestimating your control as an investor can potentially lead to serious problems for you and your finances.

Many of us are guilty of overconfidence at one point or another. Say you check directions and see that it will take 17 minutes to get to your destination and think, “Okay, great. I can make it in 15.” Sound familiar?

We all have subconscious biases, but that doesn’t mean they need to get in the way of your financial success. As a financial advisor, I can help you set up guardrails against your own biases and give you the tools and education you need to manage your hard-earned wealth with confidence.

In addition to providing personalized financial guidance, I also serve as a knowledgeable resource and accountability partner for my clients, helping them to stay on track for their long-term goals.

How can I help you reach yours?
