It's important to know that mothballs are toxic, so you will be putting a toxin down around your home that will give off vapors for months. Those vapors are insecticide and it's not healthy to breathe them in. According to the National Pesticide Information Center, using mothballs outside can harm children, pets and other animals. Mothballs are regulated by the EPA, and the package contains instructions on exactly how you can legally use them. Using them in your yard as snake repellent is not a legal way to use them, and it's toxic to you, your family, and the animals around your home, including pets. Breathing the vapors has been linked to lung and eye irritation, as well as cancer. In other words, it is against federal law to use mothballs for anything other than the intended purpose expressed on the package, because they are so harmful to people and animals. Mothballs, according to the package directions, can only legally be used inside air tight storage containers, so that the harmful toxic vapors don't leak out. It is unlawful to use mothballs other than for their intended purpose, as stated on the package. Using them outdoors as snake repellent (or for any other reason) can get you a $10,000 fine, according to the Florida Department of Agriculture and Consumers Services. Please don't use mothballs for anything other than in airtight containers, which is their intended purpose. And if someone suggests to you that they be used outdoors, please inform them that it's not only harmful, but doing so is subject to a hefty fine, because it's unlawful to use them like that. We must work together to protect the environment for such harmful substances. There are better ways of keeping things like snakes out of your yard, if you feel you must do so (including Snake-Be-Gone at Lowe's, cutting back shrubs, cleaning up yard debris, etc.). Mothballs should never be used outdoors. Never.

FLORIDA FISH AND WILDLIFE PRESENTATION
Thank you to all who attended the Florida Fish and Wildlife presentation on January 29. For those of you who did not attend the following was discussed.

NEVER FEED WILDLIFE
It is illegal in Florida to feed the following animals: bears, coyotes, foxes, raccoons, pelicans, alligators, crocodiles, sandhill cranes and wild monkeys.
Feeding wildlife can reduce their fear of humans which may result in aggression and the need for the animal to be removed or killed in order to protect public safety.

SECURE YOUR HOME, PROPERTY AND ANIMALS
"Uninvited" wildlife may visit yards and may create conflicts with your neighbors. Wildlife will return to unsecured food sources even after just one visit and can easily become habituated to humans.
Violations can be reported anonymously either by calling 1-888-404-3922 or going to

Thank you to Sweetwater neighbors and friends for your thoughtfulness in the loss of my twin sister, Dianne. Perhaps you sent a lovely card, reached out with a phone call or gave a needed hug. Perhaps you spoke the kindest words as any friend could say. Perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you very much whatever the part. Your kind expression of sympathy and friendship will always remain in our memories.

Sincerely,
Jack and Debby Hollowell

Present: Jeanette Delisi, Ruth Freer, Nancy Hasselmann, Steve Gade, John Farkas and Mike Kahn. Absent: Larry Bearfield.

**Jeanette Delisi**- R & R Committee-courtesy notices are being distributed and if not taken care of enforcement will follow. Social Club-yard sale was a great success with over 200 volunteers. Netted $20,100 after expenses. Election of SC officers will be at the March meeting. Valentine dinner at 5:30 and show at 7pm. Feb. 23 is the thank you party, the 26th is a speaker from Neptune Cremation and the Vendors Fair is March 14. Many homes do not have receptacle for in house mail. It is illegal to put mothballs around your house.

**Ruth Freer**- Volunteers have worked on the SW sign out front, thanks to Fred and Kyle who helped with the electric issue and repaired it. The trees by #4 have been cleaned out by Jimmie Andrews. Reminder please do not fee any animals.

**Steve Gade**- Dog park will be closed for repairs, moving and fixing the blocks. #11 drainage has been repaired, water level remains high. Dock area-getting new screen for the building. Had a CAP/Sheriff training here last week, we have over 8900 CAP volunteers county wide. Still looking for volunteers for our community. Thanks to Greg Roy for setting up the chip and putt, a great success. Renters can purchase guest passes.

**Nancy Hasselmann**- Watering yards-consider turning off your sprinklers. Observed someone letting their dog run next to the golf cart, please stop doing this. On the golf course, fix your divots. Thank you to Red and Barb for the plants along #10 tee. Pub-new pricing will remain. NO golf shoes in the Pub or clubhouse. Putting a new brush cleaner by the pub door. Had new microwave plates in the pub, but are missing some, don't throw them away. Live music has been great for the pub. Kitchen-the yard sale was a success along with the meals on Tuesday night and Friday noon. Thanks to all the teams. Thanks Sue Carlson for posting menus and collecting receipts.

**Mike Kahn**- Last month during our pool inspection we failed due to a pump being down, chemicals were fine. The inspector did not shut us down, but strongly suggested going back to the one pump it was originally designed for. We have an estimate for $6500 for the new pump and clean up and take out extra pvc piping. Update in intended litigation, nothing has been filed. Insurance company attorney is talking to our attorney. We have made a couple of adjustments in the insurance policy from last month that will save us about $10,000. We are also looking into different agents.

Comments:

Joni Massad-353 Melbourn. Thank you to BOD members for negotiating internet in the HOA. Be aware ATM’s will be charging fees. Can the lights at the front fountain be repaired?

John Mueller-154 Victoria. Golf Board gave suggestions and we made a priority list. We would like to meet with Jason and BOD a couple times a month to discuss issues. Having a tournament this Saturday. New rule books are now at the printer.
Gwen Julin-117 Victoria. I work at the Pro Shop and we are 1st Annual Club Membership. Requested parking spots, but would rather paint 3 spots at the pro shop, one for pro shop employee and two for the winners of the club membership. Sharon Farrell-47 Straphmore. This is a wonderful place to live, thanks to the BOD. We need rules. In this years budget we only received projected budget not current to compare.

Diane Rogers-135 Victoria. Marilyn Best and myself are putting together the new photo directory and if you have a non social club photo you would like to have put in get them to either one of us.

Joe Mann-324 Victoria. A golf ball hit someone in the chest and his pacemaker. Do we have liability insurance for golfers?

Gwen Julin-117 Victoria. How long will the pool be closed for repairs. Can we as a community say we don't want to settle a law suit? M-The insurance has the lead, we can suggest we don't want to settle.

Don Morris-226 York Cottage. Who is going to sue us? Thanks to BOD for all you do. Why did the insurance company cancel us? Why as a community would be effected, shouldnt it be the homeowner?

Sue Carlson-1 Edinburgh. Include your name when submitting things for channel 732.

Juliam Berdini-2 Edinburgh. Appreciate the work but annoyed being pulled into something we had nothing to do with. Neighbors were at risk by the people that brought them in. Anyone consider counter suit? Shareholders kept in the dark. Lawyer is full.

Brandon Pryor-3C2 Twenbridge. Communication and volunteers, hear a lot about it. Need communication with us and among the BOD. Biggest asset is the people of this community second is the golf course. Right now not in charge of the golf course.

Sue LaBell-78 Straphmore. Valentine show 4 tickets left. Feb. 23 Thank you party for all volunteers, this is free.

Wayne Wallace-129 Victoria. Capitol expenditures should be submitted to Shareholders. Does the BOD respond to letters?

Jim Morrison-76 Straphmore. Letter to BOD, time to respond? Insurance questions look into another company.

John Johnson-356 Melbourn. Rule changes are confusing.

Robin Guilford-95 Newcastle. Is the shooting the reason for insurance?

Frank Phelka-278 Dartmouth. Why cant we negotiate a suit against the individual? Take some type of action.

Rolly Laprise-204 York Cottage. These houses have no protection against a bullet.

Ed Swindleles-218 Townbridge. What about self insurance? Who do you plan on a counter suit?

Jim Ghanam-70 Straphmore. I have plans here for a golf range, cost about $40000.

Lewis Massad-353 Melbourn. SW legacy brick walkway, new residents if you are interested in a brick. Sunday March 15 will be the annual golf cart maintenance.

Jerry Brown-361 Melbourn. Can the attorney come here to answer questions.

The Annual Shareholders Meeting will be Tuesday February 18th at 7:00 PM in the Ballroom.

Meeting concluded at 4:20 PM.

Ladies Breast Cancer Golf Tournament

Our 15th annual tournament was incredibly successful! Because of your generosity and hard work, our Sweetwater Community has raised just over $7,000 for Libby’s Legacy in Orlando. The mission of Libby’s Legacy Breast Cancer Foundation is to provide comprehensive services to the underserved through education, mammograms, and patient navigation on the journey from diagnosis to survivorship to ensure no one fights alone.

We want to thank all our residents who either donated gifts for our raffles (William Wald, Pat Dennett, Jim Barker, Ray White, Juliann Berdini & Janis Dykes) or gave anonymous monetary donations! A special thanks to Sharon Farrell and Mike Donnini who obtained donations from local businesses and golf courses. We’d also like to thank John Johnson (provided the grill on Hole #12), Terry Friedman (donated profits from the pub), Gwen & Steve (Pro Shop donated items and printed tee schedules), Heidi Bernier (took wonderful pictures on 10th hole), Jason & his crew, Sweetwater Board of Directors, Kari & Nita, as well as our lady golfers for participating and contributing throughout the day.

We can’t forget to Thank all of the Sweetwater Men who volunteered to work the day of the tournament setting up, monitoring various holes and cleaning up afterwards.

Thank you to all those who voluntarily donated items for the baskets. The overall response received was above our expectations. Thanks too for buying the raffle tickets. 67% of the money made from the raffle was from Sweetwater residents, renters, family members & employees. This is reflected in the above list. 75% of the baskets were won by Sweetwater residents, renters and family members.

Whether or not you won a basket, you are a winner because over the next year the money raised at the annual yard sale will support the events of the social club which benefit us all. Thanks again.  S. Kelso

KITCHEN NEWS!
Yard sale week a success!
All Monday thru Friday proceeds go back to the community.
Thank you for your support!
It was a super busy week with a busy menu.
Our income for the week was $2003.00.
The daily teams worked flawlessly. Working so hard amid my additions and changes to the menu
A HUGE thanks to the team! Hip Hip Hooray! Nice job

I apologize if I've missed someone.

Thank you to Jane Smeltz visiting friend Suzie for showing a group of ladies how to make pierogies (dumplings stuffed with potato & cheese sautéed in onions and butter). We had a blast in the kitchen tossing flour all over learning the techniques from a pro. Suzie has her own business making pierogies.
We listened, prepared & tasted. So good.

PUB NEWS!
# New prices on all alcoholic beverages will be in effect starting Feb. 1. $2.25 per drink, $1.00 per pitcher of beer. Prices have not been increased in over 10 years. Product cost has increased along with wages, paper goods, etc. We are a non-profit but need to cover all expenses in order to keep our maintenance fees down.
# We are ordering a new brush to clean off shoes for the pub entrance. This does not eliminate the need to remove shoes...
# The live music has been a great addition to the pub. A big thank you to Mark, Ken, Rich & Dana. Please remember they are volunteers. Tips are accepted. We will not pass the hat or do cover charge, but hope you will hit their tip jar as you pass by.

RSG- resource study group
Thank you for following the rules regarding any outside work to your home and filling out the proper paperwork. Our community falls under Polk County inspectors' NOT Palmetto City. As Will Relent states if you are doing work outside your home contact the RSG Committee Chairperson and resident Greg Roy and go to the office and fill out the proper paperwork. They will advise you if a permit is required.
There is a form online available to download at Sweetwatercommunity.net
Thank you to Red & Barb on Struthmore for the flower planting behind their home on #10 tee. It looks wonderful

Bird feeder & feeding wildlife reminder: The BOD has imposed a NO bird feeders or feeding wildlife (THIS IS ILLEGAL) until our rat problem is resolved

Sprinklers: SOU has asked residents to consider turning sprinklers off as the water table is very high. Many residents have not used sprinklers in years.

GBOD meeting minutes Feb 4, 2020
Meeting was called to order by John Mueller.
Guest, Greg Roy and Will Macdonald.

Old Business
Driving net proposed by Jim Ghanam. The Golf board chooses not to take on this project at this time due to projects involving the golf course proper.
Golf rule books have been ordered.

New Business

Elegant decor, fine dining, an ever-changing water view on the St. Johns River all combine to make a luncheon cruise aboard the "Barbara Lee" a truly memorable afternoon. This is one of a very few authentic paddle wheelers in the county. This 107-foot vessel features a Victorian theme with chandeliers, brass and wood accents, plush seating and large picture windows throughout the dining areas. On our 3 hour cruise, relax on the outer decks while an informative narration of the area's history and present ecology is provided by the captain. A full sit-down luncheon service with a choice of six mouth watering entrees is provided with all meals freshly prepared aboard ship in the galley. Get your friends together and experience this fun-filled cruise.

Think you can beat the clock?

Do you trust your GPS or do you always assume you can get there just a little bit faster? Arriving to a birthday party a few minutes late isn’t usually a big deal, but overestimating your control as an investor can potentially lead to serious problems for you and your finances.

Many of us are guilty of overconfidence at one point or another. Say you check directions and see that it will take 17 minutes to get to your destination and think, “Okay, great. I can make it in 15.” Sound familiar?

We all have subconscious biases, but that doesn’t mean they need to get in the way of your financial success. As a financial advisor, I can help you set up guardrails against your own biases and give you the tools and education you need to manage your hard-earned wealth with confidence.

In addition to providing personalized financial guidance, I also serve as a knowledgeable resource and accountability partner for my clients, helping them to stay on track for their long-term goals.

How can I help you reach yours?
